

[illegible]

A diagram of a green battery with a silver terminal at the top. The battery is shown with a dashed rectangular outline indicating its dimensions: 16mm in width and 25mm in height. The battery is positioned at the bottom center of a large, light gray circular area.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and faint, irregular brown spots, characteristic of old paper. A small, dark, rectangular mark is visible near the top center of the page. The page is framed by a dark border.
